Faith

It was right when I saw his name, Don. I have had a crush on him since second grade now we're in the same class. I know this is my year, Dad just gave me $100 for school shopping, and I just found out I'm sixth grade cheer captain. Things at home are going bad dad has been working extra hours since mom left, I wish I could help but I can't I'm trying to enroll in as many clubs as possible to keep my mind away from thinking about mom.

"Hi, Faith welcome. You can find a seat you want and put your stuff inside the desk, and put the nametag on the front of the desk." Ms.Dois said

"Thanks, by the way I love your outfit." I replied

"Hi." Don said

"Hi." I said

"What have you been up to this summer." Don said

"Yes. Everything's a okay." I answered trying to sound cheerful.

I walked right out of the classroom and went on home seeing Jeremy there waiting.

Amanda

"Hi, Amanda." Jeremy said

"Hi."

"What up." Jeremy said

He seemed nervous.

"Nothing. I was just putting my stuff away."

"Cool. So, I wanted to know if you wanted to go to a movie or something?"

"Sure, how about after I get this put away." I was so sick and tired of waiting for Ryan I didn't know what to do.

Jeremy

I was so nervous at the movies. I was shaking, we decided to go to a funny movie so that was not
